

Dear Author(s),

We are pleased to inform you that our peer reviewed journal Transient – A Journal of Natural Science and Allied Subjects is expected to get published by November 2017. It is an annual peer reviewed Science Journal (ISSN NO. 2250-0650) in English published by Don Bosco College, Tura since 2011. This year the journal (Volume VI) would publish strategy papers, review articles, research papers, short communications and maiden reports. It is visualized as a forum to publish and interchange experiment based ideas, critical views on scientific issues and express crucial ideas on the beneficial applications of modern science in contemporary society. It is further envisaged that through this journal scholars young and old may widen their avenues to publish their findings through this national journal. All submissions are reviewed by experts and the Editorial Committee, and those accepted are published.

We invite you to submit your manuscript(s) to us at [transient.dbc@gmail.com](mailto:transient.dbc@gmail.com) for publication. Authors will be informed on the decision on their manuscripts either as accepted/not accepted/to be corrected after getting it reviewed by our expert committee of peer reviewers. The manuscripts ‘to be corrected’ would be sent to the authors for correction and the corrected manuscript is to be returned to the chief editor within 15 days of receipt of the same by the author.

The details of writing the manuscript(s) are available at <http://donboscocollege.ac.in/wp-content/uploads/2016/08/Guidelines-for-authors.pdf> as “**Guidelines to Authors**”.
