Feedback of Students

(Botany Department)

Action Taken on Curriculum Aspects :

Practice more revision and remedial classes and 1 week remedial classes routine will be scheduled in advance.

1. Sufficient Reference Books and other Resources to the Topic-

Result: 57% percent has agreed that there are sufficient books and other material resources to the topic, followed by 11%, who strongly agreed.

However 29% remained neutral and 3% strongly disagreed.

Action initiated: We arranged a meeting to increase some reference books, text books and other e-resources. We also agreed that we will discuss with the students for other resources in the matter, before pledging book orders.

2. Curriculum Employability-

Result: In the Curriculum employability, 74% agreed, 9% strongly agreed, followed by 14% neutral and 3% strongly disagreed.

Action initiation: Here, the matter can be apprised off to the BoS through the Principal or the HoD can apprise the matter to the BoS meeting that held after every 6 month duration in NEHU, Shillong.

3. Courses enhanced Knowledge, Skills and Capacity:

Results: In the category of "Courses enhanced Knowledge, Skills and Capacity", 51% agreed, strongly agreed 20%.

However, 27% remain neutral, and 3% strongly disagreed.

Action initiated: We will put more joint efforts to knowledge and increase productive skill oriented practicals.

4. Modern Techniques, Aids, PPT, Web-resources, Multimedia, e-content etc

Results of Feedback: In the use of modern techniques, aids, ppt, web-resources, e-content, 49% agreed, 20% strongly agreed, followed by neutral 29% and 1.2, who strongly disagreed.

Action initiated: All the faculty members have agreed to increase the use of modern techniques by using more ppt, web-resources, e-contents

5. Assessment & Evaluation Fair & Unbiased

Results: In the Assessment & Evaluation Fairness & Unbiased, 69% agreed, 8% strongly agreed, followed by neutral 20% and 3%, who strongly disagreed.

Action initiationj: We normally do fair and unbiased assessment and evaluation in awarding marks, however, we will take more precautions and maintain bench mark or transparency in that matter.

5. Internal Assessment, Tests, Assignments conducted in time

Results: Internal Assessment, Tests, Assignments conducted in time, 51% agreed, 11% strongly agreed, followed by 23% neutral, 6% disagreed and 3% strongly disagreed.

Action Taken: We will take more precautions in this regard. We will give plan scheduled routine in advance.

7. The Week, fast Learners identified & efforts are taken through remedial classes:

Feedback Results: In the category of "the Week & fast Learners are identified & efforts are taken through remedial classes", 57% have agreed, 11% strongly agreed, followed by 23% neutral, 6% strongly disagreed and 3% disagreed.

Action Taken: We have resolved to give an advance scheduled routine for remedial classes for weak students.
