## Department of Commerce Action Taken Report on B.Com Students' Feedback

Based on the analysis of the feedback collected from the students, the following are the areas on which improvements were needed and action taken against them.

Sl. No.	Parameters	Action Taken
1.	Assignment and Internal Test are conducted on time including more questions and covering all five units of the subjects.	Assignment and Internal Test are conducted for all subjects. All the assignments questions are questioned from all the units. i.e. five questions from five units are compulsorily given at a minimum marks for each question. Similarly Internal Test also is conducted including all the units of the subjects.
2.	Sufficient reference material and related books and other resources are available for the topics mentioned in the syllabus in the library	As the commerce always needs updated books and information. Therefore, reference materials and other related books are made available to support students especially giving a link of different books and materials from websites.
3.	The curriculum is designed so as to enhance employability.	It was suggested to the needy students to go with the additional professional courses which are easily and especially available for commerce stream.
