Department of Economics Action Taken Report

Based on the analysis of the feedback collected from the students, the following are the areas on which improvements were needed and action taken against them

Sl. No.	Parameters	Action Taken
1.	Sufficient reference material and related books and other resources to be available for the topics mentioned in the syllabus in the library	Additional books have been added in the library. Students are also encourage to use e-resources such as e-books and e-journals.
2.	Washroom cleanliness and maintenance	Efforts are made by the college authorities to ensure both boys and girls toilets well-maintain and clean.
3.	Better Canteen facilities	The Canteen Committee of the college regularly inspect the canteen and efforts are made to ensure prices are reasonable and hygiene and cleanliness is maintained.
