## **GENERAL INSTRUCTIONS TO AUTHORS**

- (i) *Scientific names and local or vernacular names in the text or otherwise are all to be italicized.*
- (ii) *The tables and graphs should be properly numbered and have reference in the text (e.g. Table 1 or Fig 1 etc.). To avoid problems in aligning the figures and tables with the text, the authors are advised to also give all the tables and figures in separate sheet/page. All measurements should be in metric units.*
- (iii) *The manuscripts should be sent to the editor in chief (transient.dbc@gmail.com) as attached file in MS word.*
- (iv) *After reviewing the manuscripts through our expert panel of reviewers the manuscript would be sent to the authors in pdf/word doc format to make the necessary changes. The authors are to make the necessary changes and return the corrected manuscript within a period of 10 days from the receipt of the manuscript by the author.*
- (v) *The final corrected manuscript received from the authors shall be entertained for getting published in the journal.*
- (vi) *A soft copy (pdf format) of the paper published in the journal shall be sent to the author in their email address given in the paper.*
- (vii) *The publisher reserves all copyrights of the published paper.*
- (viii) *The authors are to fill up a declaration form provided to them in the website.*
