11. Write in few lines on Suggestions for Development.

According to my opinion road development and canteen.

Library could be extended.

Desks and benches could be replaced by better ones

Cooperation between teachers and students is must, teachers should give project and field work so that students of DBC can be upgraded more efficient.

I suggest to keep more books in library especially Geography books thank you

College canteens food can be improve more

My suggestion is to you develop the students characters little more..

Good but still needs to improve

Must be strict with students and don't let them bunk classes

My suggestion to all the professor is to understand the situation of the student, we can see some teachers are rude to student sometimes.

Should have higher courses/Branches for further studies in DBC.

Departmental library should be enhanced where students can avail books in a required manner.

I would like to Suggest Teachers should know all the student don't have the same learning capacity or understanding level for that DBC should have Student care/ guidance #counselor .. Thank you

Renowned books on self-help, vocational learning, novels, graphic novels etc should be added to the library. Is the College gym for show? I didn't get to enter even once while I was in DBC, students should be allowed to workout if they want. That's all.

College Authority/Discipline Committee should strictly maintain disciplinary of the Students.

Authority should take action against those who unnecessary misused in uniform and give awareness for all the students because of indiscipline in college uniform.

Need to develop the canteen food and the rest is good

Have to improve college canteen

Career Guidance programmes and other real life challenge activities can be implemented to inspire the aim in life of the students

Canteen and toilet

Laboratory equipments and Library needs to be updated.

Get more books for the library

- 1. Monthly class test. (or after every syllabus)**
- 2. After every 3 months take (professors') feedback from students.**

Presentation on self-confidence trip for enhancing knowledge

Create more practical for commerce department

Something that needs to be change or upgrade where is lacking off and need to observe very carefully.

I would suggest if a prayer room could be there in the college.
