

FIELD TRIP TO HORTICULTURE HUB & ARENGH TEA INDUSTRY RONGRAM

DEPARTMENT OF BOTANY DON BOSCO COLLEGE TURA

On 18 October, 2019, the 3<sup>rd</sup> Semester Botany Honours Students escorted by Dr. Ratan Chakroborthy, Dr.Jiten Dang, Prof.Chichi Ch.Sangma and Miss Tangre Ch. Marak went on a field trip to the Horticulture Hub, the Areng Tea Industry at Rongram and Chibrage at Rongkhon. The patent purpose of the trip was to help students understand the botanical facts in the natural environment, to gain better concept with regard to the theoretical knowledge, the life and habitation of different species found growing in the areas.

A handwritten signature in blue ink, appearing to read "Fr. BivanRodriquesMukhim, SDB." with a stylized flourish at the end.

Fr. BivanRodriquesMukhim, SDB.
