## Action Taken Report on Alumni Feedback

Based on the analysis of the feedback collected from the alumni, the following are the areas on which improvements were needed and action taken against them.

Sl. No.	Parameters	Action Taken
1.	Better Drinking Water Facility	Besides the safe drinking water facility installed in the college canteen, another water purifier has been recently installed in the corridor of the college by the college management.
2.	Washroom cleanliness and maintenance	Efforts are made by the college authorities to ensure both boys and girls toilets well-maintain and clean.
3.	Better Canteen facilities	The Canteen Committee of the college regularly inspects the canteen and efforts are made to ensure prices are reasonable and hygiene and cleanliness is maintained.
