

Report on
ANALYSIS OF STUDENTS' FEEDBACK
Department of Economics
2021-22

The Internal Quality Assurance Cell (IQAC) and each department of the College have continuously been working on quality improvement and the betterment of student learning experiences. The IQAC Cell of the college prepared questionnaires in a 5-point Likert method and each department collect feedback on the academic performance and ambience of the institution. An effort was made to receive feedback from the 4th and 6th-semester students of the department. For this purpose, a google form was created and sent to students. In order to analyse and represent the data collected, useful statistical tools like percentages, etc. have been used. For the effective presentation of the data, graphs have been used.

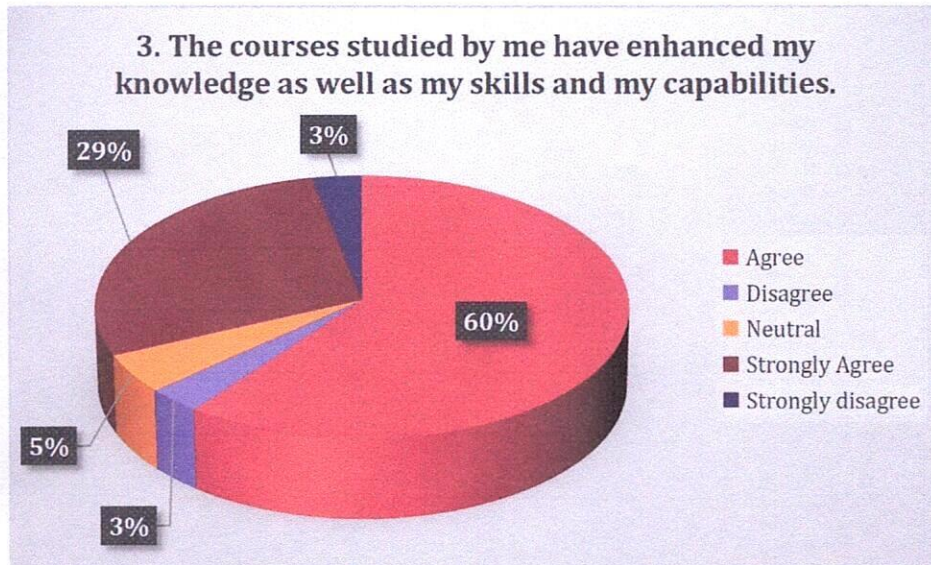

The college is affiliated with North Eastern Hill University Shillong. It follows the curriculum and syllabus prescribed by the university. In order to analyze the student responses on the curriculum aspect, various questions were asked and responses were collected from the students. Each one of them is explained below.

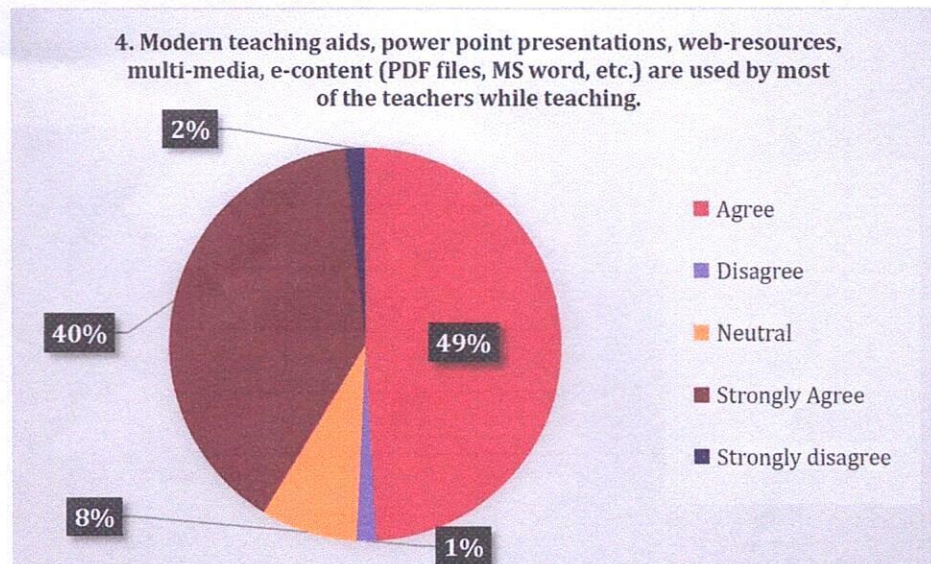

The chart describes the responses of the students on whether the curriculum is designed to enhance employability. It is observed that 62% of the students agree. About 19% of the students strongly agree. Only 3% of the students strongly disagree that the curriculum is designed to enhance employability.

The chart portrays the responses of the students on whether sufficient reference material and related books and other resources are available for the topics mentioned in the syllabus in the library. It can be observed that 54% of the students agree. About 21% of the students strongly agree and only 2% of the students strongly disagree.
