Department of Education Action Taken Report on Students' Feedback

Based on the analysis of the feedback collected from the students, the following are the areas on which improvements were needed and action taken against them.

Sl. No.	Parameters	Action Taken
1.	Sufficient reference material and related books and other resources to be available for the topics prescribed in the syllabus in the library	Books have been added in the library. Students are also encouraged to use e-resources such as e-books and e-journals.
2.	Washroom cleanliness and maintenance	Boys and girls toilets are well-maintained and cleaned by the college authorities.
3.	Better Canteen facilities	The prices of the food items in the college canteen are checked by the Canteen Committee and hygiene and cleanliness is maintained.
