## Department of Geography Action Taken Report on Students' Feedback

Based on the analysis of the feedback collected from the students, the following are the areas on which improvements were needed and action taken against them.

Sl. No.	Parameters	Action Taken
1.	The Internal Assessment like Internal test and assignment are conducted on time	Internal Test and assignments are all conducted on time. Extra Additional test for each paper has also been conducted for each unit followed by discussion regarding the test.
2.	Sufficient reference material and related books and other e sources are available for the topics mentioned in the syllabus in the library	Books have been added in the library. Students are also encouraged to use e-resources such as e-books and e-journals.
3.	The Weak and Fast Learner students are identified and efforts are take through remedial classes and other activities to improve their performance	Boys and girls toilets are well-maintained and cleaned by the college authorities.
4.	Class Room Infrastructure	A projector will be installed in the Geography honors classroom and labs are also well equipped with all the necessary requirements. However the computer lab needs to be upgraded in order to cater for students GIS practical works.
