## DEPARTMENT OF POLITICAL SCIENCE

### Action Taken Report on Students' Feedback

Based on the feedback collected from the students of the department, the following are the areas on which improvements were needed and action taken against them:

Sl. No.	Parameters	Action Taken
1.	The weak and fast learner students are identified, and efforts are taken for improvement through remedial classes and other activities to improve the performance.	Efforts are made by the department to monitor the Honours students. The faculty ensures that the Honour students are mentored individually based on their performances in the Internal Assessment and Semester examinations. However, due to limited teaching faculty in the department, the department is unable to mentor the general students. The Department also provides reading materials to the students through WhatsApp, Google Classroom and Class notes.
2.	Washroom cleanliness and maintenance	Efforts are being made by the college authorities to ensure that the washroom facilities for the boys and girls are clean and well-maintained.
3.	Amenities and Assistance provided at the college. [Equipment, amenities, and assistance for Sports activities]	The Sports Committee of the college ensures that the college has enough equipment, amenities for various sports activities of the college.
4.	Amenities and Assistance provided at the college. [Drinking water facility]	The college authorities are making great efforts to ensure clean and safe drinking water to the students.
