DEPARTMENT OF ZOOLOGY

Action Taken Report on Academic Performance and Ambience Feedback for 4th Sem 2021-22

After the question-wise responses has been analyzed based on the feedback collected from the students of the department, the following are the areas on which improvements were necessitated and action taken against them:

Sl. No.	Parameters	Action Taken
1.	Sufficient reference material and related books and other resources are available for the topics mentioned in the syllabus in the library	The library has been informed on the reading material requirement. The number of students far outnumber the number of books which needs to be addressed. The e- materials to the students are always provided by all the faculty members of the department. Books from the department are also shared with the students to mitigate the insufficiency of the library to an extent.
2.	The weak and the fast learner students are identified, and efforts are taken for improvement through remedial classes and other activities to improve the performance.	16% students disagree to the point posed. So this would be addressed to find out the slow learners and action would be taken accordingly.
3.	Amenities and assistance provided at the college	In the case of drinking water facilities, cleanliness of the washrooms and canteen facilities some responses are in the negative and the institute will definitely address to make amends as they are apprised of the situation at hand.
