

Class Seminar for 5th Semester students, 2018

Department of Physics, Don Bosco College, Tura

A students' seminar was organized by the Department of Physics, under the charge of Dr. Yubaraj Sharma on the 21st of September, 2018 for the 5th Semester students. The seminar was a part of continuous internal assessment.

Each student was assigned a topic and allotted about 10 minutes to present his/her presentation on the white board. The seminar was conducted in the Honours classroom of the college.

The topics were from the syllabus of the paper **PHY05(T)** *Mathematical Physics, Quantum Mechanics* and **PHY06(T)** *Electrodynamics, Electronics-II*.

This exercise had three-fold advantage in that the students were given a platform to exercise their public speaking skills, the topics were relevant for their upcoming exams and the allocation of internal marks provided incentive to take this task seriously. The seminar concluded satisfactorily.

Dr. Yubaraj Sharma

Assistant Professor,
Department of Physics,
Don Bosco College, Tura
